

## ACCESSIBILITY

NYtor is located behind the Stephanus church, on the first floor of the building positioned at the far end of the access road onto the premises.

You enter the premises of the Berg en Dalseweg 199 through the gates at the left side of the church, where you will find the car parking area (free parking).

Bikes can be taken along to be parked directly near our building.

The access door to the portal is always open: feel free to enter! Please ring the bell in the front portal.
